GARDENING

About Us

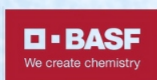

Xylem Gardening Solutions is a nationally recognized leader in the gardening and landscaping industry, boasting 14 years of comprehensive pan-India operations. We specialize in delivering sustainable, high-quality solutions across a range of vital areas, including Organic, Imported & Special Fertilizers, Professional Turf, Landscape Development, and Horticulture Products.

We are privileged to partner with some of India's most esteemed institutions, such as Golf Courses, Luxury Hotels & Resorts, Leading Schools & Universities, Farmhouses & Private Estates, and Sports Academies & Stadiums.

Our unwavering commitment to quality and exceptional service has established us as the preferred partner for clients who prioritize sustainability, precision, and aesthetic excellence in their green spaces.
